

I would like to take a moment to thank all of you for attending the San Diego Grand Internationals. It is with great pride that I welcome each and every one of you to our eleventh annual tournament.

It takes a special blend of people to make a dream a reality. From the competitors, spectators, and volunteers to the Grand Masters in attendance, each of you determine the success of the San Diego Grand Internationals and the tournament that it has become. This year I am very pleased to have added Fencing and Taekwondo to our divisions.

Please come, compete, judge, volunteer or just observe, but most importantly enjoy our tournament and know that you are part of it. Without you, there would only be an empty shell, not a dream. Join us as we welcome all the Grand Masters, and as always, honor and respect will be shown to all.

Also, on behalf of the San Diego Grand Internationals we would like to thank each of you who took the time to help us in working with the "National Center for Missing and Exploited Children"

From all the children of the future and the San Diego Grand Internationals

Mahalo e Nui (A VERY GRATEFUL THANKS)

Respectfully, Master Thomas Georgion
